

The Citrus Regional Science and Engineering Fair would like to invite you to serve as a judge at the **Citrus County Auditorium on Wednesday, December 7, 2011**. Citrus County has been represented each year at both State and International Science and Engineering Fairs with outstanding projects developed by our students. We are deeply committed to continuing the encouragement and support of our science students. We need your help in this endeavor. With your commitment, we continue to provide our students with many opportunities to enhance their education. Many past winners and participants have gone on to careers in the medical and other scientific fields.

Judging will take place from **8:00 a.m. to 12:00 p.m. on Wednesday, December 7, 2011** at the Citrus County Auditorium: 3610 S. Florida Ave. (Hwy 41) Inverness, FL 34452. We have been asked to scrutinize our budget and one way to cut costs was to create a registration website for our judges. We ask that you to register online at the following website http://www.citrus.k12.fl.us/edserv/sciencefair/Judges_Register.asp

If there are any other individuals who you know would be interested in participating as a judge for our fair, please share with them the judges' registration website. If you would like to sponsor a special award, please go to the following link to fill out the special awards donor form and email directly to Amanda Crawford:
<http://www.citrus.k12.fl.us/edserv/sciencefair/>

If there are any changes to the contact information we have for you, please email us so that I can make the correction in our database. We look forward to seeing you at the fair!

Best Regards,

Amanda Crawford
