In addition to registering with RSVP, you may also sign up for the Homeland Security Volunteer Team (HSVT) of Citrus County. Registered members of the HSVT support homeland security and disaster related activities through participating in disaster response, recovery, training, drills, and recognition events.

These volunteers are not required to serve, nor are they committed to serve, simply by being a member of the team or by attending training sessions. However, should the need arise we hope that you will consider serving in some capacity.
